All payments to the Trust Fund will be held in trust by the Fund to pay outstanding awards to aggrieved consumers and fines to the Department as long as the Fund exists. If the Fund dissolves, Fund monies will be distributed equally to Fund contributors who are licensed at the time the Fund dissolves.

If a licensee fails to comply with the laws, rules, and regulations enforced by DCWP and either (1) the licensee has surrendered or failed to renew its license after a determination that the licensee failed to comply with the laws, rules, and regulations or (2) DCWP has exhausted all administrative steps, including revocation of a license, Fund money will be used to satisfy a DCWP order. After reviewing Fund resources, the Commissioner or the Commissioner's designee will decide whether to order partial payment of awards, fines, and/or judgments from the Fund. Any payment of awards, fines, and/or judgments from the Fund does not relieve the licensee from legal obligations to satisfy DCWP orders and/or court judgments.

I have read and agree to the conditions outlined above.
