

Food Vending Machine Standards – Frozen Desserts Example Product List

This list includes examples of frozen dessert items that meet the [NYC Standards for Food Vending Machines](#) (the Standards). This product list is provided as an example only. Vendors can stock items listed below or other similar products and/or brands that meet the Standards. Inclusion on this list is not an endorsement of any product by the New York City Health Department or the City of New York. Always read Nutrition Facts labels to confirm a product meets the Standards. To request inclusion of additional products on this list, please contact nycfoodstandards@health.nyc.gov.

This list of food items is broken down into the following categories:

1. **Frozen fruit or fruit juice**
2. **Frozen desserts that contain artificial flavors, artificial colors, and/or low- or no-calorie sweeteners.**
These snacks cannot be stocked in machines primarily used by children age 18 and younger.

Package sizes that meet the Standards are listed in parentheses. Please note, **other package sizes of these products may not meet the Standards**. Always read nutrition labels to confirm that products meet Standards.
