Track your Health Bucks distribution	on in the tab	le below. Complete one row for ea	ch event where H	ealth Bucks are	distributed. Please do not include	
Health Bucks recipients personal information, like names or signatures. Follow these steps:						
1. Record the <u>name of the staff member who distributed the Health Bucks</u> in the first column. <u>Do not</u> include the name or any information belonging to the						
individuals who received Health Bucks.						
2. Enter the date Health Bucks were distributed in the second column. Only record multiple entries for a single date if Health Bucks were distributed out of						
<u>order.</u>						
3. Check the activity through which Health Bucks were distributed in the third column. If more than one activity was conducted, check all that apply.						
4. Under Serial #s Distributed, record the last 7 digits (numbers after "HB2025") of the Health Bucks serial number for the first and last Health Bucks						
distributed that day.						
5. Staff members should sign the log. Do not include the signatures of the individuals who received Health Bucks.
