

Now You Know Teens' Rights Materials Order Form

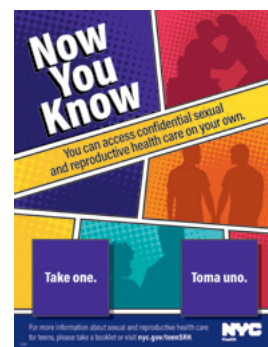

[New York City Teens Connection's](#) (NYCTC) **Now You Know** materials, including posters, booklets, and easels, are **available for delivery** to youth-serving professionals. These materials help inform young people under the age of 18 of their right to access **confidential sexual and reproductive health care** (including birth control, abortion care, PrEP, and PEP), without the consent or permission of a parent, guardian, or partner for most services. These materials are great for tabling or outreach events, to have on hand in classrooms and clinics, and to share anywhere young people are.
