

CONDITIONS FOR THE TEMPORARY REMOVAL OF LAMPOST

- 1. Your organization will bear all costs for the temporary removal of the lamppost in question, and store and reinstall lamppost at its original location, unless noted on plans to be replaced with new.
2. Your organization is responsible for any missing or damage to lamppost or any other property during removal and restoration or replacement, including lamppost foundation(s). Lamppost and foundation must be restored conforming to standards.
3. For public safety, temporary lighting must be provided at or near the lamppost location and must be maintained by your organization. Lighting levels must be maintained in accordance with Illuminating Society of North America (IESNA), and Street Lighting standards.
4. All work must be done by a licensed New York City Electrician. Listed below are electrical contractors that currently have contracts with NYC DOT Division of Traffic Operations:
Hellman Electric (718) 931-9900
Welsbach Electric Company, Incorporated (718) 670-6785
EJ Electric (718) 786- 9400
Hylan Datacom & Electrical LLC (347) 672- 4416
Verra Mobility (718) 448-7000
5. You agree to hold the City harmless for any situation arising out of the above.
6. You will contact Division of Street Lighting Electrical Inspection Unit, (212) 839-3323, at least forty-eight (48) hours prior to commencing work.
7. The signature of a duly authorized officer of your organization, at the foot hereof and the return to the Division of Street Lighting, 34-02 Queens Boulevard, Long Island City, New York 11101, will constitute your consent to the foregoing.
